Easter Story

This week we have continued to hear the Easter story in our collective worship – from the time of Jesus being arrested to his resurrection and the hope this brought. The BBC have created a great cartoon version of the story – [The Christian Story of Easter | Religions of the World](#).

Earth Day

On Thursday 22nd April we will have a day celebrating Earth Day. This is a worldwide event and the theme this year is 'Restore Our Earth'.

On that day we will be doing lots of activities in school learning about how we can care for our world and celebrating God's creation.

If you want to know more about Earth Day, please click here <https://www.earthday.org/earth-day-2021/>

Lunches

After Easter we will be moving to our summer lunch menu. It will be a three week menu and many children are excited as sandwiches/wraps are back, and so is the all day breakfast! The menu has been sent out, but please contact the school office if you need another emailing to you.

Governor Update

Governors would like to thank the staff, the pupils and parents for their commitment and support with remote learning throughout the lockdown period and for the smooth transition back into school.

Uniform reminder

Thank you to everyone who has supported us with the uniform since our return. For the summer term, please check that your children are in light grey trousers or skirts, have black school shoes and sandshoes for in school and also bring their PE kit of plain white t-shirt and red shorts.

Breakfast Club

Breakfast Club will continue to be open from 8am each morning in the children's classrooms. We have had several children arrive for Breakfast Club who were not booked in. This impacts on staffing and resources as we plan for the amount of children we know will be attending from the bookings. **Please make sure you book your child in for Breakfast Club by Friday of the previous week so we can prepare for the numbers expected.** Thank you for your support with this as it helps keep the provision open.
