

CLASS RK- RECEPTION

Our topic for this half term will be: **To Infinity and Beyond!**

In addition, the children will continue their learning independently through play activities which will reflect their interests and learning needs, and we may adapt topics to cater for children's interests.

Communication/ Language

This half term we are starting our Welcomm groups twice a week. Welcomm is a communication programme that helps children at all levels of their Speech and Language development.

Mathematics

In Maths this half term we are focusing on 2D shapes and the composition of numbers to 5.

We will look at how the numbers can be represented in different ways and what is 1 more/1 less than each.

Through our shape work we will be looking at the names of the shapes, how they are made, how we can join them together to make new shapes and where we can see them in our environment.

Understanding the World

We will learn about why we celebrate on bonfire night, talking about remembrance day and why we wear poppies. We will also be looking at the Hindu celebration, Diwali and doing some food tasting.

Reading books

In the next few weeks we will send reading books home on a Monday, to be returned on a Friday. At first these will be simple sound books and then they will progress onto blending books. Later in the school year they will begin to bring home 'proper' reading books. We will send home a library book for you to share and enjoy over the weekend, to be returned on a Monday.

We will leave a basket under the canopy outside for books to be placed in each Monday/Friday.

Literacy

Our focus texts for this half term are the stories 'Room on the Broom', 'Stickman' and 'Night Monkey, Day Monkey' by Julia Donaldson, as well as 'Edward built a Rocketship' by Michael Rack. We will be completing tasks in relation to these stories and learning the vocabulary.

We will be continuing our journey on the 'Read, Write Inc' Phonics programme, learning our new letter sounds, including some 'special friends'

When we learn a sound we will be learning what it looks like, how we say it and also having a go at writing each one. We will also be learning how to blend sounds together to hear words with the help of Fred the frog. We call this 'Fred talk'.

PSED

Our Jigsaw topic for this half term is 'Celebrating Difference'. During Jigsaw lessons we will promote mindfulness and develop pupils' well-being. We will work on developing good relationships with friends, encouraging kindness and respect (two of our key Christian values).

Physical development

We will encourage good hygiene and independence with dressing/undressing for P.E. Please could you also practise these skills at home? with dressing/undressing for P.E. Please could you also practise these skills at home?

Important messages

- Please make sure you write your child's name in all clothing items including shoes.
- As the weather gets colder and wetter, please ensure your child has appropriate outerwear, as we will still be learning outside.

R.E.

We will learn why Christians perform Nativity plays at Christmas, and the importance of the Nativity story.

Expressive Arts

We will be making firework pictures, Diya lamps for Diwali, monkey masks to act out our story 'Night Monkey, Day Monkey' and junk modelling to make our own Rocketship like Edward!

Thank you!

Any voluntary contributions of 50p per week would be greatly appreciated. This money is used to buy resources such as play dough or baking ingredients. Thank you in advance!
